

General Instructions:

1. You will have **six (6) attempts**. Your module score will be based on the **average of your best three (3) attempts**.
2. A **10% penalty per day** will be applied for late submissions after the due date.
3. If a group fails to submit a module and later submits the next one, they will receive **30% of the marks** for the missed module.
4. A **proper base** is required for module submission. **Without it, the module will not be accepted.**
5. **All group members must be present** at the time of module submission.
